ACTIVE ARMY CASUALTIES

Ottawa, April 28 — 40 — Eight Canadian soldiers, believed to be members of the Hong Kong Garrison which surrendered to the Japanese Christmas Day, 1941, have been killed in a typhoon while prisoners of war, the Canadian (Active) Army reported today in its 453rd casualty list of the war, containing 153 names.

Defence Headquarters declined to comment on the prisoner casualties but the assumption they were part of the Hong Kong garrison was drawn from the fact they were listed in the casualty list as members of a Quebec regiment, a Manitoba regiment and forces headquarters—units which were at Hong Kong.

The Hong Kong units were the Royal Rifles of Canada, the Winnipeg Grenadiers and Force Headquarters.
